Safety Data Sheet

Section 1: Identification

Product identifier Product form: Mixture Product name: Waste Go

Intended use of the product Intended use: To biodegrade organic waste

Responsible party Superior BioSolutions LLC 7352 Darlin Ct. Unit 1 Dane, WI 53529 800-553-5573

Emergency telephone number Manufacturer: 800.553.5573 Hours of operaton: 8:00am - 5:00pm CST

Section 2: Hazards Identification

May cause eye irritation, 2B

Section 3: Composition/Information on Ingredients

Mixture

Active ingredients: Amylase, Cellulase, Lipase and Protease enzymes and non-pathogenic bacteria.

Exact percentages and full ingredients list are Trade Secrets.

Section 4: First Aid Measures

Description of first aid measures Eye: IF in eyes: Rinse with water

Section 5: Fire-Fighting Measures

Extinguishing media Suitable extinguishing media: any Unsuitable extinguishing media: none

Special hazards arising from the mixture Unusual fire or explosion hazards: None

Reactivity/incompatible materials: None

Advice for firefighters No special procedures or gear required.

Section 6: Accidental Release Measures

Personal precautions, protective equipment and emergency procedures None

Environmental precautions None required

Methods and material for containment and cleaning up Sweep it up, return to container

Section 7: Handling and Storage

Precautions for safe handling Handling: No special precautions required

Conditions for safe storage, including any incompatibilities Storage: For maximum self life store in a cool, dry place

Section 8: Exposure Controls/Personal Protection

Control parameters None

Exposure controls None

Prepared on May 22, 2018

Section 9: Physical and Chemical Properties

Information on basic physical and chemical properties Physical state: Dry powder Color: Tan Odor: Characteristic. Mild pH: Not relevant Flash point: Data lacking Auto-ignition temperature: Data lacking Decomposition Temp.: Data lacking Flammability: NFPA 1

Solubility: Mostly but not completely water soluble Explosive properties: None known Oxidizing properties: Not an oxidizer Explosive limits: No data available

Section 10: Stability and Reactivity

Reactivity: No dangerous reactions known when used as directed Chemical stability: Stable Possibility of hazardous reactions: Hazardous polymerization will not occur Conditions to avoid: None known Incompatible Materials: None known Hazardous decomposition products: None known

Section 11: Toxicological Information

Information on toxicological effects Not classified Eye contact: Prolonged exposure may result in irritation

Section 12: Ecological Information

The commercial strength version of this product is used by wastewater treatment plants to degrade organic waste.

Section 13: Disposal Considerations

Due to the product's long shelf life there is no need to dispose of it. Lid and empty container may be recycled.

Section 14: Transport Information

Non-hazardous. No special requirements.

Section 15: Regulatory Information

NSF Approved - Registration Number 153687

Authorized by U.S.D.A. for use in federally inspected meat and poult ry processing plants.Reviewed and authorized by the following state s: Florida, Indiana, Massachusetts, Washington, Wisconsin.

Section 16: Other Information
